Adequate refereeing
Inertia of players/ball
PA1 (not laser)
Effective replays/2ry episodes
Stable online connection
AI (positioning)
Fast/adequate player switch.
Super-cancel = L2/LT (!)
Fatigue of players
Errors in working with the ball
Game Balance (attack/defence)
No long stop frames (gameplay)
Much more emotion from goals!

Dear developers!
Impressive announcement!
Fan community is happy! But..
Please take a look at the
very important list below.
This should not spoil the
experience of the game!
Will hope! Looking forward
to the best ever game
of the PES series!
Many thanks!
Sincerely with respect,
PES Russia
